SAN BERNARDINO ASISTENCIA

BARTON ROAD

REDLANDS, CALIFORNIA

This branch of San Gabriel Mission was constructed about 1830 on the San Bernardino Rancho. During the 1840's, its buildings were used by Jose Del Carmen Lugo as part of his rancho grant. Later, after its sale to the Mormons, it was occupied by Bishop Tenny in the 1850's, and by Dr. Benjamin Barton in the 1860's. Its restoration was completed in 1937 by the Works Program Administration, assisted by the San Bernardino County Historical Society.
